

Feast of the Senses : A Debts to Recover BdsM Short Story

Meyari Mcfarland

Four lives intertwined through affection, dominance and sex. Feast of the Senses is a tale of the little moments that bind people together and the varied ways that love grows when you give a relationship time and freedom. Sometimes growing older together doesn't mean that the flame burns lower. When couples are open to each other's kinks the flame burns higher and higher. Note: This story includes cross dressing, food play, biting and BDSM within committed relationships. If these themes may trigger you please read with caution.
